

Another Season Comes to an End

I'm sure it was only yesterday that we were uncovering pitches, rehangng flags and getting ready to kick off season 2014/15. Here we are, six months later and we're getting ready to put away our whites for another six months.

Although we still have the formalities of Junior and Senior Presentation Night's to come (see the "on the social side" section for details), now is the perfect opportunity to publically thank those who have worked tirelessly to ensure the clubs success, both on and off the field.

Firstly we take a look at our junior club. This season we fielded an U12, U14 and U16 team, which overall had some great success. This success would not have been possible if it wasn't for the countless hours that were volunteered to the club. To Lachie Walker and Bailey Foran (U12), Josh Kazar and Justin Laughlin (U14) and Marcus Adams (U16 and Junior Coaching Coordinator), a massive thank you goes to each of you for all you have done both onfield at training and on games days as well as behind the scenes with the coordination of pulling it all together.

In addition to this, we had a VERY successful Milo program this year which saw over 80 participants donning Shark Park on a Friday where their love of the game was encouraged. Justin Laughlin once again stepped up to the plate and took control of the onfield activities. The King of the Kids took on the responsibility of coordinating the session's activities which were run

by Juzzie himself, along with assistance by Robin Court, Ian Barlow, Daniel Thomas, Josh Kazar, John Harford, Michael Finn, Tom Mills and Tim Mills. This, coupled with the off field support of Bec Court and Michele Lockie, ensured that the program thrived.

For the first time, the club took part in the inaugural Eastern Regional T20 Blast Program. Run by Cricket Victoria (namely, our very own Lachie Walker) the program was seen as a bridging point between Milo and the Under 10 competition. Thanks must go to the likes of Ben Beech, Damien Vozzo, Marcus Adams, Peter Eagles, Warren Lechner, Stephen Craigie, John Harford and Josh Kazar who took it in turns of assisting with these sessions.

Moving on from the juniors, we take a look at our seniors. Some may say all did not go to plan this season, but regardless of what success looks like individually, we cannot overlook the fact we consistently fielded four teams and had our 1XI

team, playing in the top division, finish second on the ladder with an outright win at the end of the Home and Away season. This does not come down to luck- this is purely due to the hard work put in by players and their coaches, and for this we are extremely proud.

With Daniel Ferguson needing to step away from coaching at the start of the season due to work commitments, we were thrilled (and grateful) for Stephen Craigie and Timothy Court stepping in and taking the reins. In addition to the great amount of time and resources the coaching staff put in, we also extend a huge thank you to our Captains; 1XI- Mathew Parker, 2XI- Leigh Brown, 3XI Michael Finn and 4XI Ray Kazar- your leadership both on and off the field is a credit to you all.

To our Women's team, after a phenomenal 2013/14 season which saw you win the flag and captain Sarah Smith clean up with most of the leagues accolades, we could

not have been prouder to see you make the grand final once again, despite the end result not being the same. Thank you to Marcus Adams for his continuous support of our Women's Team and Captain Sarah Smith for her outstanding leadership and mentoring of the team.

After the premiership Victory of our 1XI Vets team, several of our players decided to retire on a high at the end of last season and as a result we only registered one Vets

team this year. Despite the overall result for these guys not being what they would have liked, there was always a barrel of laughs to be had amongst these fellas. We take our hats off to Ray Kazar who took on the job of coordinating the vets this season on top of the huge workload he already has across the club.

To our players, their families and friends, our members, supporters and sponsors- thank you for continuing to support and back our club in all they strive

to achieve. We quite simply would not, nor would we want to, exist without you and all you contribute.

Lastly, and with just as much appreciation, we thank those who have toiled away off field and behind the scene. From our committee members to those who volunteer their time around the club for social functions, fundraisers, scoring, general team assistance, cleaning (you name it, they do it). If it weren't for you and your devotion our club would not be what it is today!
