Junior Preseason Update

MILO CRICKET

Milo Cricket Registration Day will be 21/10 @ Guy Turner Res. 5.00 – 6.30pm

Milo in2cricket has changed format this season at our club, with the biggest change being our clinic is "FREE" to attend. Yes, that's right folks, NO COST to do Milo at Shark Park this season

An 8 week program finishing pre Xmas will be run on a Friday night at Guy Turner Reserve whilst our Non Comps or U12's are playing

This allows us to promote a safe fun environment for our kids to play cricket

Contact Ralph Wellington 0400294235 or Kerry Walton 0417 333329 if you need more info

Non Comp

We will be running our fantastic Non Comp on a Friday evening again this season and invite all families to come and have an enjoyable Friday early evening of cricket and unwind for the weekend.

We have spots available with training available at the dates and times above

Once again, New players to Non Comp will play for "FREE".....

"Sponsor of the Round"

A great innovation this season is the introduction of our Sponsor of the Round program. This allows our local businesses the chance to promote and market their business to our club whilst adding valuable income to our club.

Cost to be involved is capped this season at \$250 per round for a 2 week sponsorship which includes Awards night recognition and promotion on the night as well as promotion in "Junior Corner" and club Newsletters thru the whole club

10 Rounds for the season – 4 available at time of print

Do not wait, this value for money opportunity will go quickly

PLAYER PROFILE

Tim Court - BPCC Life member, RDCA Junior President and a heap of other stuff too.....

Highest Score: 109 no

Best Bowling: 3/10 back in Under 12's

Greatest cricket achievement: Making a chanceless 100

Greatest sport (non-cricket) achievement: Kicking 6 goals in one Soccer game

Greatest non-sport achievement: Completing my Masters

Favourite international cricket moment: Watching David Boon make his last hundred at the MCG before he retired.

Favourite BPCC story: The infamous 4th XI premiership where we had lost the first innings on day one and at the start of day two East Ringwood took the premiership photo before the days play. This fired up Ron Taylor who proceeded to smash a 50 and take 10 wickets to enable the 4th XI to win the premiership by reverse outright.

Being a member of BPCC was at its best when: The best is still yet to come, hopefully will be when we win Chandler Shield in the neat future.

On the way to a cricket game you listen to: Pretty much anything, but whatever it is the volume must be loud !

One goal you have for the 2011/2012 season: Same as every season, make at least one century ...

One thing BPCC should do differently this season: Hopefully spend less time watching it rain and more time playing Cricket.

Best piece of advice you have received: Hit the ball along the ground.
