Senior Department

Senior Coaches

Unfortunately due to work commitments Daniel Ferguson has had to step down from his role as senior coach at Bayswater Park. Daniel will remain a valued member of the club and will continue playing in the 1XI team.

We are pleased to announce that stepping into Daniel's place is long time player Stephen "Wobbles" Craigie. Wobbles brings a solid combination of skill and determination to this position and we look forward to seeing great success under his leadership.

At last week's selection, Wobble's unveiled the following ethos for the season, which if applied will see the club come along in great strides.

Pride in Performance

Respect your opposiiton
Respect your team mates
Respect your training
Respect the game
Respect the club
Respect yourself

At the same time as welcoming Wobbles into this role, we would also like to send him out a huge congratulations for his recent performance in the Melbourne Marathon which saw him complete the 42km course in 3 hours and 26 minutes. What a legend!

Milo

Last Friday we hosted our first Milo session for the season and what a HUGE success it was with over 60 participants aged between 3 and 11 taking to the field!

This entry level program involves activities that teach kids the basic skills to play cricket and from what we saw last week, it's going to produce some fine Baysy Park cricketers in the years to come!

A big thank you to Justin Laughlin and his myriad of assistants including Robin Court, Daniel Thomas, Tom Mills, Timothy Court, Stephen Craigie and Michael Finn who ran the drill stations on the night as well as Michele Lockie, Sandra Kazar, Ray Kazar and Rebecca Court who assisted with the off field coordination.

T20 Blast

This season sees the introduction of the Milo T20 Blast competition for kids aged between approximately 8 and 12 years.

It is much shorter than traditional cricket, with a maximum playing time of 90 minutes. Each participant gets an equal turn of batting, bowling and fielding regardless of their ability. They get the opportunity to play games of T20 cricket, whilst developing fundamental skills.

The matches are played on a smaller field allowing parents to get close to all the action and with several games taking place on the same oval at the same time it creates an action packed fun atmosphere where every kid is involved.

Instead of sitting waiting to bat, the children take part in a Skills Zone, where games and activities help them develop vital cricket skills.

The program is professionally delivered and it's aligned with the KFC T20 Big Bash League!

Detail specifics are as follows:

Date: 12 November 2014 (program launch)
Time: 5:00-6:30pm
Location: East Ringwood Reserve
Sessions: 9 in total (5 pre and 4 post Christmas)

The program is fully subsidised by Bayswater Pak for the first eight registrations.

If your child or a child you know would be keen to take part in this new program please contact Mel Causer on 0401 944 349 or melanie_causer@outlook.com

Women's Department

After walking away with the flag last season, 2014/15 hasn't gotten off to the start the women's team were hoping for, however with the a couple of new recruits and the team due to be back at full capacity in the coming fortnight, the girls are confident they will be on the front foot for another successful summer.

Super Star Captain Sarah Smith

Its undeniable that Sarah Smith dominated the women's competition last season, not only within our club, but in the Victorian Women's Cricket Association, but her superior ability and success has now made her the poster girl for the "From VWCA to Cricket Victoria- An Integration of Celebration" which is an event that honours the proud history of the Association and all women that have played cricket over the past 140 years. Well done Sarah!

Veterans Department

After the Vets 1XI won the flag last season, a number of our players decided to go out on a high and retire. As a result we are only fielding one vets team this season, under the guidance of Captain Ray Kazar.

Although we were saddened to see a number of players hang up their caps, it did result in several new recruits which we gladly welcomed.

On the Social Side

AFL Grand Final Day

In true BPCC style, the season kicked off with AFL Grand Final Day which saw close to 100 people fill the club rooms as Hawthorn over threw the Swans 74 vs. 137

With the event taking place just two days after receiving hand over form the soccer club, it takes a power of work to get the club room to how you see it on the last Saturday in September, so a huge thank you goes out to Brendon Trump who headed up the transition and his support team which included Ray Kazar, Sandra Kazar, Jason Butcher, Sarah Butcher and Sammy Trump.

Karaoke Night

After countless Friday nights spent at The Knox Club by a number of our senior players in the off season, there was no other choice than for the lights to be dimmed and the tunes blasted as Guy Turner produced its very own Karaoke Night.

From old time classics to current chart toppers, the night had no boundaries. With DJ/MC Beechy taking control of proceedings there were many a laughs at the "X-Factor" wannabes who took to the stage, however it cannot be denied that 1XI's captain, Mat Parker, was the biggest fan of the event! Anyone who was there will vouch for the fact that it was extremely difficult to pry the microphone from our favourite strawberry blonde's hands!

Bogan Bingo

Out next event, and the biggest fundraiser on our social calendar, is the Bogan Olympics- a spin off on our annual trivia night.....so.....

Grab ya finest flannie, comb those mullets, polish that air guitar and get down to Baysy Park at 7pm on Saturday 22 November 2014.

Get ten of ya sickest mates and their sheilas together as BPCC turns feral for the Bogan Olympics!

Lock in a table of 10 and get ready for 10 rounds of bingo, trivia and all round bogan fun.

Bring ya loose change for the raffles and don't forget some cheese and bikkies for the table to share...we'll take care of the hot stuff!

\$10.00 per person and don't forget to dress up in your finest bogan gear- flannies, stubby shorts, bluies and ya mockies...the bigger the better!!

Once you've got your table of 10 contact Mel Causer (0401 944 349), Sandra Kazar (033 080 870) or Tara Lea Money (0433 076 458) to make a reservation.
